ICRE 2019 - 2019 4th International Conference on Reliability Engineering (ICRE 2019) will be held in Rome, Italy during November 20 - 22, 2019, as the workshop of ICSRS 2019. The aim objective of ICRE 2019 is to provide a platform for researchers, engineers, academicians as well as industrial professionals from all over the world to present their research results and development activities in Reliability Engineering.

**Publication**

The accepted paper of ICRE 2019 will be published into ICRE 2019 Conference Proceedings which will be published into IOP Conference Series: Materials Science and Engineering (doi:10.1088 / ISSN.1757-899X), which is submitted for indexing to by EI Compendex, Scopus, Thomson Reuters (WoS), Inspec, et al.

**Call for Papers**

- Quality assurance and cost issues
- Maintainability engineering theory and application
- Maintenance support modeling and simulation
- Contractor logistics theory and practice
- Reliability tools for product development
- Multidisciplinary design optimization
- Product reliability and safety evaluation

For more information, please visit [http://www.icre.org/cfp.html](http://www.icre.org/cfp.html).

**Important Date**

Submission Deadline: **August 15, 2019**

Notification Day: **September 10, 2019**
